

## **Cancellation and Refund Policy**

As of April 22, 2007

1. For all events, we allow early cancellations up to the point that the Event Host either (a) commits a headcount to the golf course or (b) pays the golf course, whichever occurs first. After this point, registration is closed. This cancellation deadline will generally be 10 to 14 days before an 18-hole event, 5 to 10 days before a 9-hole event, and two to three weeks before weekend events. Refunds are not allowed for cancellations occurring after these dates.
2. Early cancellations are eligible for a full refund.
3. Late cancellations are not eligible for a refund.
4. When we issue a refund, it is issued as a credit. This credit is redeemable for any other EWGA-Los Angeles event and expires one year from the date of the event.

To use this credit for another event, mail the credit plus your check for the balance of the event fee, to the Event Coordinator listed in the SPORG form or other registration information for the event.

5. If a member needs to cancel her attendance after registration has closed, she is responsible for finding another member to take her place. They should arrange to reimburse each other separately.
6. Guests are welcome to attend a maximum of three Los Angeles Chapter events before joining as a member.
