**Find out how to volunteer:**

The success of the Los Angeles Chapter is due to the vision, dedication, enthusiasm and leadership of our volunteers. While serving the Chapter, these volunteers also have fun, develop/hone leadership skills, forge lasting friendships, and improve the status and conditions of women in golf. You may join this powerful group by contacting the Chairwoman of the committee of your choice, or by completing the Volunteer Interest Form and returning it to the the Leadership Chair, Sharon Wertz, at [leadership@ewga.org](mailto:leadership@ewga.org). Sharon can help you decide where your skills and interests would best fit with the needs of the Chapter.
